## Labs

- Provides computer stations in Darling, Marshburn, and Stamps Libraries.
- The labs are equipped with printers, copiers and IMT Technicians for all your needs!

## Computer Store

The Computer Store is a not-for-profit technology store that offers Macs at education prices. Rather than taking the freeway for the closest Apple Store, just head over to West Campus for all your favorite Apple products without the crowds, retail prices, and money spent on gas. Throughout the year, we offer huge sales and drop the prices even BELOW education rates as well. We also offer accessories and software greatly discounted from retail prices, saving you even more money.

Mon-Thurs : 9am - 5pm

Friday : 9am - 4:30pm
